WHAT SUNSYNE'S CUSTOMERS SAY

"Thank you very much for the Mobile Bay driving tour guide. It is very professionally done, clear, comprehensive, and most interesting. I wish it had been available when I was floundering around the area five years ago."

**Joseph Whitehorne, Professor of History
Arts and Science Department
Lord Fairfax Community College, Virginia**

"The images and descriptions captured by these panels accurately preserve treasured periods in the evolution of our town..."

**Hugh Ball, President
Greater Limestone County
Chamber of Commerce**

"We installed fourteen of SunSyne's exhibits on the battlefield at Spring Hill, Tennessee, almost eight years ago. They have suffered no water damage or degradation due to vandalism and very little fading. We are very happy with our signs and have installed six more of SunSyne's signs since 1998.

"SunSyne's service is great! You can count on their word. If they say they are going to do something, they do it!"

**Alton Kelly, Executive Director
Maury County Convention & Visitors Bureau**
